

Belmont Permit Center APPLICANT'S GUIDE AND FORM

I. INTRODUCTION

The City of Belmont is committed to an open process of development review, and requires that applicants take a proactive approach to neighborhood outreach. Therefore, every development request which is decided by the Planning Commission or City Council in a public hearing must include a Neighborhood Outreach Strategy, submitted with the application. The strategy must include your proposal for contacting your neighbors, informing them of your proposed project and receiving their feedback in advance of the City's review. This form is provided to assist you in preparing your Neighborhood Outreach Strategy

II. OUTREACH STRATEGY

In order to provide an effective Neighborhood Outreach Strategy, you must address these issues:

- A. *Contacting Your Neighbors* – Since you will be providing the City with labels for all property owners and tenants within 300 feet of your property, it is strongly suggested that you notify these same people of your neighborhood outreach efforts. You can mail your own notices to them, post bulletins, make telephone calls or go door-to-door, if you wish. (Please note that these options do not give you the right to trespass or conduct any other activities which are contrary to the law.)
- B. *Informing Your Neighbors of the Project* – This can be accomplished a variety of ways, but is most easily accomplished by a scheduled meeting or open house on the property. At the meeting, you are encouraged to have your project plans available, as well as your architect, engineer or other consultants as necessary to explain and answer questions about the project. The more convenient the meeting date, time and arrangements, the more success you will have in establishing a positive atmosphere for the dialogue. You may choose other means for informing your neighbors, such as mailing a project information packet.
- C. *Receiving Neighbor Feedback* – If you host a neighborhood meeting, you will be able to receive immediate feedback on your proposal. You are urged to take notes on the comments you receive, as well as who attends. If you mail information, some means of communication must be established to allow neighbors to contact you and leave their comments.
- D. *A Schedule for Action* – Your strategy must also include a schedule for achieving the above tasks prior to the first public hearing conducted by the City. While the City acknowledges that schedules may change, you must identify the approximate timing of the three steps described above.

III. YOUR NEIGHBORHOOD OUTREACH STRATEGY

Please submit a written description of your Neighborhood Outreach Strategy on the attached sheet, addressing the four points described above. You are required to implement the Strategy prior to the public hearing on your project. You may be asked by the Planning Commission or City Council about the results of your efforts. Failure to implement the strategy prior to the public hearing on your application may result in the hearing being continued to a later date.
